

Frost Valley Camping Experience

On September 7, the members of the Newark Boys Chorus School's Concert Chorus headed to Claryville, New York and the Frost Valley YMCA Camp located on 5,500 acres in the heart

of the Catskills. Over the next three days the boys participated in a series of team-building activities, began rehearsing for the fall concert series which begins on October 2nd and enjoyed the cabin-camping experience. "It's a chance to focus on the chorus and our music without any distractions," commented Donald Morris, Director of Music.

Sixth grader, Orlando Awkward summed it up very well: "there were lots of activities, very nice

people and the food was very good. I enjoyed the singing and my favorite activity was basketball."
