Inspiring Excellence in Academics & Music Since 1969

2017-2018 NBCS TUITION POLICY

We are pleased to inform you that Board of Trustees has suspended the \$3,000 tuition requirement for the 2017-2018 school year. The Trustees have authorized the collection of two fees to support the educational and musical programs at the school: an Educational Service Fee and a Regional/International Travel Tour fee.

The **Educational Service Fee** of \$500.00 will be used to support the basic educational program at the school, including the purchase and maintenance of iPads for each student, interactive software for the iPad, maintenance of the school-based internet and the portable internet power packs for travel, and general student-used classroom supplies.

The **Educational Services Fee** of \$500.00, will be collected in two installments. **The First Installment; a Student Registration of \$50.00**, will be part of the student's completed registration packet and due by **Friday, August 11, 2017**. No student will be registered for the upcoming school year without the payment of this fee. This fee is non-refundable and will be applied toward the \$500.00 Educational Services fee.

The Second Installment of Educational Services Fee will be due by September 29th for all new students at the Newark Boys Chorus School and by October 27th for all returning students. This fee cannot be waived. However, you can contact the school's administration to discuss payment options.

The Regional/International Travel Tour Fees will support the Concert Chorus' annual regional tours and the triennial international tour. The annual regional tours are in addition to the Chorus' participation in the Georgia and Baltimore Boy Choir Festivals and the local concerts in the metropolitan area. In 2017 the Concert Chorus traveled to Southern Florida and plans are underway for a trip to the Southwest in 2018. The Regional Travel Tour fee is \$350.00 per student and will be due by December 22, 2017. This fee is required of all students on the regional tour. However, you can contact the school's administration to discuss payment options.

The Triennial International Tour takes place every three years and represents an outstanding lifetime experience for our students. Over the years the Chorus has traveled to 17 countries on 5 continents. The international trip on 2016 went to southern Canada. For 2019 plans are underway for a trip to South America. The International Travel Tour Fee for this trip will be \$1,500. This fee will be collected over 3 years and will be due by February 1st each year. The collection of this fee will begin effective September 2017.
